Prancing Deer Farm Proposal

Olivia & Garrett's Proposal at Prancing Deer Farm December 23rd, 2019.

Today was such an exciting day! I had already had a couples session with Olivia and Garrett booked for today but this morning I get a text from Garrett! He said he was planning to propose to Olivia during their session! I was grinning ear to ear with excitement! I hadn't even met this couple yet but I was so excited and happy for them already. I love being apart of proposals.

Olivia was so surprised and her reaction had me tearing up. I just love carrying around the big sacorel with the future groom. After the proposal we continued with an engagement session full of joy and love. We popped champagne and played with goats and cows. Ring shots were done in some little grasses the venue owner got for \$1 and she was so excited her dollar plants were getting some love and attention HAHA.

We all had so much fun together and laughed the whole hour. Kelly the owner of the lovely Prancing Deer Farm went above and beyond as always to make everything so special when she heard it was turning into a proposal. I just love getting to spend time at Prancing Deer.

At the end of our time together I felt as though we were all family and I just love this couple. Olivia and Garrett are both in the military and love the outdoors so Prancing Deer was a great location. They are so in love with each other and I am just so excited for what's next for them.

Congratulations y'all! Thank you so much for including me in such an important day in your lives I couldn't be more grateful.
